YADKINIAN

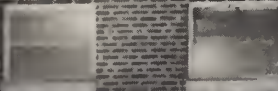

1956

Published by
THE SENIOR CLASS
of
YADKINVILLE HIGH SCHOOL
Yadkinville, North Carolina

Dedication

When the doors of school opened in the fall of 1955, it was the first time in many years that Miss Mary Harding was not in her place beginning her duties as English teacher and librarian. She had resigned as teacher in order to continue her training in library science at the University of North Carolina and later to serve as librarian of the Yadkin County Library.

In her years of loyal service, Miss Harding made a valuable contribution to the lives of her many pupils and to the teaching profession. She gave time and service beyond the call of duty.

It is with gratitude, appreciation, and love that the Senior Class of 1956 dedicates the YADKINIAN to

... "Miss Mary"

"She gave her honor to the world"

Foreword

"The universe is change; our life is what our thoughts make it."

Our universe is change and growth in school; our school life is what our classes and activities make it.

In presenting a picture record of school life for the year 1955-1956, the Staff has designated the school as the sun, our guiding light. Revolving around the "sun," our classes, activities, games, parties, personalities -- all these make up our universe.

In a changing world, may the memories, as held together by the 1956 Yadkinian, remain unaltered and reflect the happiness of high school years as the moon reflects the brilliance of the sun.

From Dawn to Dusk

Daylight broke for ten students from Forbush and forty-five from Yadkinville as the Freshmen Class entered high school in September, 1952. Leading the Freshmen through the early morning mist, Miss Mary Harding and Mr. Bill Bridgewater were the homeroom teachers. Georgia Todd and Lorene Williams were homeroom presidents.

A period of adjustment, the freshman year ended with the usual parties and picnics. The two homerooms together went to Reynolds Park.

Morning time revealed fifty-three students in September, 1953, making up the Sophomore Class, directed by Miss Beverly Moore and Mrs. R. P. Buchanan. Homeroom presidents were Gertrude Wall and Carl Shore. Roberta Smith won the title of "Miss Yadkinville High" for the year.

A New Year's party and trips to Reynolds Park were the main events of the year.

In the afternoon of high school life, forty-six members of the Junior Class basked in the golden sunlight. Mr. Artus Moser and Mrs. Susan Steelman were sponsors for the class that chose Georgia Todd as president. Homeroom presidents were Mary Lou Casstevens and Carl Carter.

One of the main events for the year was a memorable two-day trip beginning February 13 to Williamsburg, Virginia. Members of the class were accompanied by Mr. and Mrs. R. P. Buchanan.

Carrying out the Moonlight and Roses theme, the Juniors honored the Seniors with the annual Junior-Senior Banquet April 22, 1955.

Late afternoon found the class performing such tasks as electing the YADKINIAN Staff, ordering class rings, and making the daisy chain. Junior marshals were Phillip Graham, chief; Mozelle Shelton, Georgia Todd, Anne Whitaker, Lorene Williams, and Mary Lou Casstevens.

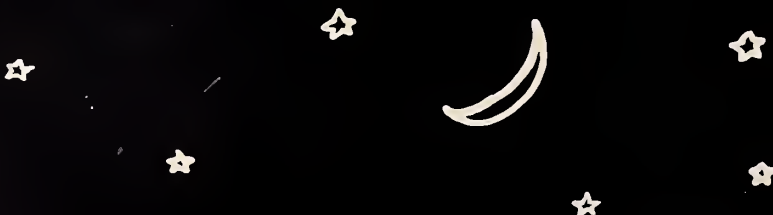

Twilight revealed forty-two students enrolled in the Senior Class, sponsored by Mrs. Carl Hoots and Mr. R. P. Buchanan. Phillip Graham was elected president of the class.

Class rings were delivered the first week in October; Libby Carlton was elected Homecoming Queen by the football players; the students were entertained by the faculty at a Christmas party; a semiformal Leap Year dance was given. These were some of the highlights of the year.

As the sun sank lower in the evening sky, many special events claimed the time and attention of the Seniors: the Junior-Senior Banquet, the Washington trip, Senior play, class night, and finally, on May 28, graduation exercises for the thirty-nine members of the Class of 1956.

Elected each year by popular vote of the student body, the cheerleaders act as hosts for the visiting teams and lead cheers for the football and basketball games.

Bill Brandon and Max Cranfill were elected to serve as additional cheerleaders during the basketball season.

Football

Beginning the season by winning their first game, the Hornets had high hopes for retaining their winning record. But with opposition getting tougher, the scores failed to materialize for the Hornets.

An easy victory over Dabson for the Homecoming game raised the spirits again for the home team. But throughout the rest of the season the spectators had to be content with the persistent efforts, good sportsmanship, and clean playing demonstrated by the Hornets.

The team was not without its high points of interest.

Buddy Logon, a 125-pound Sophomore fullback, made more than half the rushing yardage in the Millers Creek game.

Kickoffs featured a brother combination, as Jimmie Grohom, a Junior, held the ball for Phillip Grohom, a Senior, to kick.

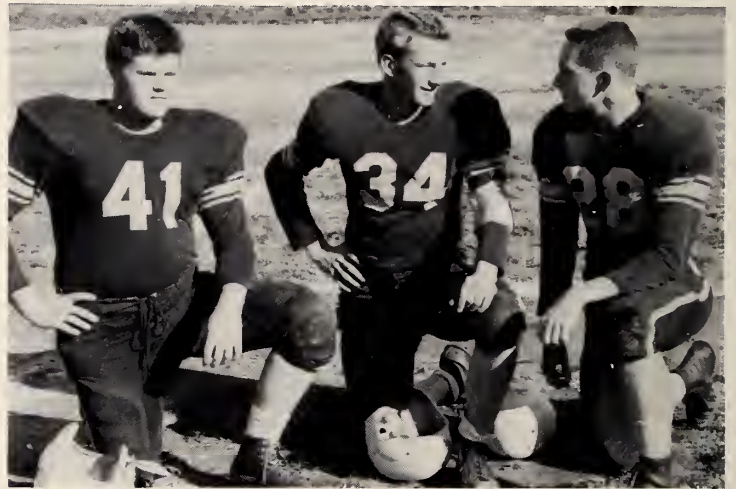

Outstanding defensive work was done by Kenneth Hutchens, a Junior.

L. J. Styers, another Junior, paced the team in running for the offensive plays.

The Homecoming Queen and her attendants, selected by popular vote of the football team, were presented at half-time ceremonies when the Queen was crowned by the tri-captains.

Homecoming activities began on Friday afternoon with a parade consisting of floats made by the clubs and students. Activities were climaxed that night with a dance in the gymnasium.

Homecoming Snapshots

Girls' Basketball Team

Winning only four of their regular season games, the girls' basketball team showed evidence of their improvement as they went into the semi-finals of the Yadkin County Tournament only to lose to Jonesville.

In spite of a lack of height, the girls displayed a fighting spirit throughout the season and provided the spectators with breath-taking suspense, as they lost several games by only a few points.

Prospects for next year look good, as only one member of the team, Lorene Williams, will be lost by graduation. The team lost an important player, Barbara Greene, at the first of the season, because of a knee injury. The girls' basketball team was made up of the following members:

Lorene Williams	Senior	Guard
Ann Brandon	Junior	Forward

Boys' Basketball Team

ALVIN HUTCHENS MR. LEONARD ARNDT
 Captain Coach

Although there was good material for the boys' basketball team, the Hornets did not seem to be able to click. Losing the first game of the season, the boys came back for a win in the second game. The rest of the season showed improved playing and a fighting spirit, but the team turned in only three victories of the twenty games played. Tournament play placed the Hornets in the semifinals, only to be defeated by Jonesville. Alvin Hutchens, a Senior playing center, averaged 22 points per game. He was given Honorable Mention on the All-Northwest Team. Carl Shore, another Senior, did outstanding guard work.

Junior Varsity Basketball

The Junior Varsity basketball team is made up of boys who are inexperienced players.

Chiefly Freshmen or Sophomores, the members of the team gain valuable experience in playing reserve teams of other schools. As they improve in basketball skill, they have a chance to be promoted to the regular team.

Tony Dellinger, captain, was advanced to the varsity team the latter part of the season.

ACTIVITY FIELD

BEFORE

DURING

Sponsored by the Yadkinville Parent-Teacher Association and made possible by the cooperation and contributions of the community, the largest project of the school year was the development of the Paul Buchanan Activity Field to be used as a school playground and athletic field and for community activities.

Named by a unanimous vote of the PTA for the principal of the school because of his leadership in developing the project, the completed field will include a lighted football and baseball field, areas for softball and basketball, all-weather tennis courts, and paved playing areas for a variety of other activities. Estimated value upon completion is approximately \$35,000.

Immediately after the land adjacent to the school property was purchased by the County Board of Education, high school boys led by FFA members cleared the area of trees and brush, surveyors and soil conservation men planned and made drawings, and men and machinery moved in to rearrange tons of dirt.

The entire school and community united in an effort to make contributions and donations and to raise money through carrying out projects which have included square dances, turkey shoots, sale of food, sale of Christmas decorations, sale of school supplies, bake sales, quartette sings, suppers, and a semiformal dance, among other activities.

AFTER

Probably the largest contribution made so far was by the men who moved the dirt. They furnished machinery and labor amounting to around \$8,000 in value. They were N.C. Dalton, James Dobbins, R. L. Steelman, Tom Davis, Douglas Long, Howard Steele, Charles Branon, Paul Gough, Thad Williard, Henry Dobbins, Fred Poindexter, Wayne Holcomb, Leslie Chamberlain, Sherman Todd, Harold Johnson, "Buck" Hutchens, Fred Hinshaw, Lawrence Todd, and Gray Hinshaw and his operators.

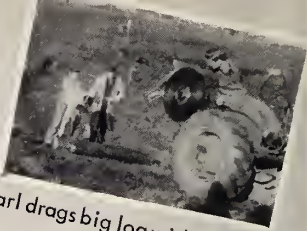

Leslie catches pig in the lot which had to be moved.
